2023 TUITION FEES AND CHARGES

Dear Parents/ Guardians,

To enable St Catherine's School to continue to provide a high quality, well-resourced education for all students in our care, families must be prepared to support the school by paying school fees.

School Fees provide the following:

- All our students have access to digital technology. iPads are available for Years Prep - Year 2. Year 3 - Year 6 students have access to devices which remains the property of the school. The school pays for the device apps and any repairs that are necessary. We also subscribe to a number of online learning subscriptions that engage our students in online learning opportunities.
- We are always updating our Literacy and Numeracy resources and other programs to ensure maximum student engagement and growth. All students experience incursions on the school site and excursions which may involve bus transport. All students are involved in a water safety program with bus transport. Year 5 & 6 students attend a three-day camp. Preps have an amazing 100 days of Prep celebration while our Year 6 are involved in inter school sporting activities and a big day out celebration at the end of the year. Year 3 - 6 students also have opportunities to take part in athletics and cross county events.
- To maintain a safe learning environment our learning spaces are cleaned professionally every night and our school grounds and school buildings are maintained by our Maintenance team.
